FIVE TO THE "PEN."

Judge Hugus Gave Five Criminals Their Sentences.

ALL OF THE FIVE ARE ROBBERS

Who Ran Against the Hands of the Law.

Something of the Crime of Each—The Prisoners Taken to Mountsville by the Sheriff—Five Cases Nollied in the Criminal Court—Other Business Transacted at the Court House.

Judge Hugus, of the criminal court, spent a busy day yesterday. He sentenced five criminals to terms in the state penitentiary at Mountsville. Singularly enough the quintette were all robbers. The aggregate imprisonment of the lot is twenty-one years, divided as follows:

William Donovan, six years.
James Sweeney, six years.
Walter Williams, six years.
Frank Johnson, two years.
John Bush, one year.
Donovan and Sweeney were captured early one Sunday morning last September, by Police Lieutenant Supler and Officer Knabe, while in the act of robbing the grocery store of J. A. Courts, on Fourteenth street, East End. The same morning there was quite a fire in the same neighborhood and it was at first thought that the two thieves knew something of that too, but on investigation this was found to be a mistake. Sweeney, is an old hand as a "crook," but the Fourteenth street job was Donovan's first.

Williams, another six-year man, is the colored man who was captured in such a clever manner by Officer Gardner, of the city police force, not long ago, while in the act of pilfering hams at Welmer's meat shop, on the upper market square. Frank Johnson, who hails from Bell-air, was caught last August while trying to steal wool belonging to York-holmer Brothers. He could not pull the wool over the eyes of justice, unfortunately for himself, and will perform longer at the "pen" for two years.

The last of the quintette is Frank Bush, who escapes lightly, comparatively speaking, for his sentence is for one year imprisonment. He tried to rob Mrs. Fisher's house, in East Wheeling, but found nothing excepting one or two many officers of the law, into whose hands he fell.

The following cases were nollied: State vs. Ida Headley; state vs. Grace Earle; state vs. John Lowe; state vs. Henry Jones; state vs. Charles McCann.

Sheriff Franzheim and Deputies Farrell and Lantry took the five prisoners sentenced yesterday, to the Mountsville "pen," late in the afternoon.

Fire Committee Meets.

The council committee on fire department met last night, the members present being Messrs. Baird, Britt, Waterhouse and Wills. Bids for improvements at the Island house were considered. Some time was spent in discussing the relative merits of the bids, as each contractor specified a different kind of plan for the flooring of the house.

The following bids were considered: Thomas Glascock, \$110; Hugh Hawkins, \$87.25; A. Beall, \$79; Charles D. McCarty, \$84. On Mr. Waterhouse's motion, Beall's bid was recommended.

Bids were received for repairs at the hook and ladder house on Twenty-first street, from two contractors, but the committee decided to have specifications drawn of exactly what repairs are needed and to ask for new bids.

The Talk of the Town.

There is probably nothing in the town to-day that is the subject of as much favorable comment as the beautiful lot of pictures that O'Neill, the Photographer, has just put in his show window. We have seen many excellent pieces of work in this window, but for striking effects in lighting, artistic posing and beautiful finish the work just displayed easily outranks anything ever shown in this city. That this artistic work is appreciated is evidenced by the throngs who stopped all day yesterday and last night to examine it.

Professor Sheff can be consulted and will examine the eyes free at 1110 Main street.

"I was completely covered with sores. Every limb in my body ached. Had been sick for five years. Doctors could do me no good. Most of my time was spent in bed; was a complete wreck. Burdock Blood Bitters have completely cured me in three months." Mrs. Annie Zoepfen, Crookstown, Minn.

The Enemy Is Ours!

The gripe usually leaves the sufferer in a very feeble condition, with a persistent cough and other premonitory symptoms of pulmonary affection. Dr. Bull's Cough Syrup promptly administered at the beginning of an attack of gripe, will forestall that dangerous enemy to life—consumption.

Mrs. Maggie Tulga, Ironton, Ohio, says: "It affords me much pleasure to bear testimony to the merits of Dr. Bull's Cough Syrup. I had been a sufferer from the gripe for a week, I tried a bottle of Dr. Bull's Cough Syrup, and after taking it, was completely cured of the dreadful cough and disease. I cheerfully recommend it to all sufferers." Dr. Bull's Cough Syrup is sold everywhere for 25 cents.
